

**First call:**  
**46<sup>th</sup> Sandbjerg Meeting on Membrane Transport**

**Monday May 12<sup>th</sup>, 1.00 pm – Wednesday, May 14<sup>th</sup>, 2.00 pm 2014**  
**Sandbjerg Estate, Sønderborg, Denmark**

This year's programme will include the following oral sessions, all with a series of excellent invited speakers:

1. Regulation and roles of proteases at the plasma membrane I (coordinator: Mette Madsen, Aarhus, Denmark)
2. Regulation and roles of proteases at the plasma membrane II (coordinators: Marie Kveiborg, Copenhagen, Denmark and Stine Falsig Pedersen Copenhagen, Denmark)
3. How lipids cross cellular membranes (coordinator Thomas Günther-Pomorsky, Copenhagen, Denmark)
4. Free communications in membrane transport (coordinators: Markus Bleich, Kiel, Germany and Jens Leipziger, Aarhus, Denmark)

In addition, there will be a poster session and two plenary speakers.

This year's **plenary speakers** will be

1. Prof. Olivier Straub, Dept. of Pharmacology & Toxicology, University of Lausanne, Switzerland. His lecture is entitled: "Regulation of ion transport by ubiquitination"
2. Philippe Chavrier, Institut Curie, Paris, France: Preliminary title: "Membrane-anchored matrix metalloproteases"

If you would like to participate in this year's Sandbjerg meeting, please let us know before the 25<sup>th</sup> of April 2014. **Please note that registration for all participants now takes place via the following link: <http://membranes.au.dk/sandbjerg-meeting/>.** If you wish to contribute with a presentation, please send a tentative presentation title **and** abstract (format specified on the homepage) and indicate whether you prefer oral or poster format. Based on these, we will select a number of oral presentations of 10-20 minutes duration and set up the final programme, which you will receive early May 2014.

The number of participants in the meeting is limited to about 80. The full price for room and board is DKK 2500 pr. participant (free for PhD students from Aarhus University, for other students, the price is DKK 1200). Further information about the wonderful meeting venue can be found at: <http://www.sandbjerg.dk/>.

We are looking forward to seeing you at this year's Sandbjerg meeting!

Best regards,

Stine Falsig Pedersen, Ph.D.
